

**REMARKS**

Applicant has carefully reviewed the Application in light of the *Office Action*. At the time of the *Office Action*, Claims 1-36 were pending, of which the Examiner rejected Claims 19-27 and allowed Claims 1-18 and 28-36. Applicant has amended Claim 19. For the reasons below, Applicant respectfully requests favorable action in this case.

**Section 101 Rejections**

In the *Office Action*, The Examiner rejected Claims 19-27 under 35 U.S.C. § 101 as allegedly being directed to non-statutory subject matter. Solely to advance prosecution in this matter, Applicant has amended Claim 19 to recite a “tangible computer readable storage media” in accordance with the Examiner’s suggestion. Applicant would like to thank the Examiner for his suggestion and for his time and effort examining this Application.

For the reasons presented above, Applicant respectfully submits that Claim 19 and each of its dependent claims (20-27) are in condition for allowance. As no other rejections remain pending with respect to this Application, Applicant respectfully submits that this Application is in condition for allowance.

**CONCLUSION**

For at least the foregoing reasons, Applicant respectfully requests full allowance of all pending claims. If the Examiner feels that a telephone conference would advance prosecution of this Application in any manner, the undersigned attorney for Applicant stands ready to conduct such a conference at the convenience of the Examiner.
